Academic Details

Course/Examination	Discipline	Institution/University	Year of Passing	Aggregate %
Master in Computer Applications (MCA)	Computer Science	Centre for Development of Advanced Computing (C-DAC) (GGSIPU)	2028 (Expected)	-
Bachelor in Computer Applications (BCA)	Computer Science	Institute of Information Technology and Management (GGSIPU)	2026	9.21
12th Standard	CBSE	Spring Meadows Public School	2023	90.6
10th Standard	CBSE	Spring Meadows Public School	2021	85.2

Technical Skills

Programming Languages	Java, Javascript
Frameworks & Libraries:	Spring Boot, Spring Security, React, Node, Express, SQL.
Software Platforms	Git, IntelliJ, VS Code, MySQL, MongoDB, Maven, Docker.

Experience and Projects

Currently pursuing MCA from Guru Gobind Singh Indraprastha University (GGSIPU) affiliated C-DAC (Centre for Development of Advanced Computing) in 1st year 1st sem.

MERN Stack Development Summer Training

- *Shri Sahib Tech* | June 2025 – July 2025
- Completed remote summer training focused on MERN stack development.
- Worked on full-stack application development, REST APIs, and JWT-based authentication.

1. **CalTrack – Fitness Tracking Application (MERN Stack)**

- Developed a full-stack fitness tracking application using MongoDB, Express.js, React.js and Node.js.
- Built a responsive dashboard to help users track fitness activities and monitor their progress.
- Integrated frontend and backend functionality to provide a seamless application experience.
- Links: Live Demo | GitHub

2. **Jira Issue & Team Management API (Java 17, Spring Boot, Spring Security, MongoDB, JWT, Docker)**

- Developed a RESTful project management backend supporting user management, bug reporting and story workflows.
- Implemented JWT-based authentication with password hashing and role-based access control for Admin, Manager, Developer and Tester roles.
- Links: Live Demo | GitHub

Responsibilities/Achievements

- Winner of AI Innovators competition conducted by AIEC cell of IITM group of institutions.
- Winner of Inter Zonal Level Tug of War in sub junior category and participated in many club level tug of war tournaments.
- Volunteered in various events like “Pet Feeding”, “Cleanliness Drive” etc. conducted by Eco club of IITM. And “Fiesta 2K24” and “Fiesta 2K25” conducted by IITM group of institutions.

Hobbies

Playing Musical Instruments | Listening Music | Weight Training.
